

SAFETY IS OUR #1 PRIORITY

How we're taking action to prevent the spread of COVID-19

Care For Children & Families

REDUCED HOURS (7 a.m. to 5:00 p.m.)

Reduced hours will help our staff maintain clean and orderly environments for all families and children.

PROTECTION

Facial coverings are Mandatory for all adults dropping off and picking up

SUSPENSION OF EXTRACURRICULAR-FOOD-EVENTS

Extracurriculars, Food Program and all Events are suspended until further notice.

REDUCED RATIOS

Reduced Ratios are in place in every environment to help us reduce the risk of spread...

CHILDREN PROTECTION

Children ages 3 and up are recommended, but not required to wear protective face coverings during the day. Children will not be allowed to wear masks during nap, outdoor time, or lunchtime.

DAILY WELLNESS CHECK

Every child receives a wellness check upon arrival as well as a temperature check to ensure they are healthy and Symptom-free.

Administration ensures all items brought from home are wiped down using an approved EPA disinfectant, then carefully walk the children over to our disinfecting mat, where their shoes will be disinfected prior to entering their environment.

PARENT COMMITMENT

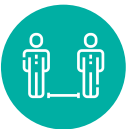

Parents/Guardians must sign a waiver demonstrating their commitment to follow CDC guidelines and reduce the risk of spread prior to enrollment.

CONTACTLESS PICK UP/DROP OFF

Children are received outside in our 6-foot distance designated areas.

No parents/guardians or any unessential individuals are permitted into the building.

SOCIAL DISTANCING

Children and Staff follow 6 feet guidelines while under care as best as possible.

Each child has their own sleeping cot for the year, and are placed at least 6 feet apart during naptime.

ROUTINE SANITIZING ALL HIGH-CONTACT AREAS

Staff members are routinely cleaning, sanitizing, and disinfecting all surfaces and objects that are frequently touched using EPA approved Disinfectants.

HANDWASHING

Children are washing their hands every hour at minimum and at drop off/pick up.

SAME GROUPS

Children remain in the same groups each day, and do not mix at any time during the day.

STRICT SICK POLICY

New strict Sick Policy is in place for all children and staff in attendance

COMMUNICATION

We will be in constant contact with all families regarding full-reopening, closures, and any other information needed during this time

EVENTS

Extracurriculars, large gatherings, and school events are suspended until further notice to avoid spread.

TOURS

No tours will be conducted during school hours.

Care For New Generation Montessori Staff

STRICT SICK POLICY

A new strict Sick Policy is in place for all staff currently working.

DAILY WELLNESS CHECKS

Every Staff member receives a wellness check and a temperature check to ensure they are healthy and symptom-free.

Staff wipes down their personal items using an approved EPA disinfectant.

Staff switches their "home" shoes to their "work shoes" daily.

STAFF COMMITMENT

Staff must sign a waiver demonstrating their commitment to follow CDC guidelines and reduce the risk of spread.

HANDWASHING

Staff members are washing their hands as soon as they enter the campus and every hour at a minimum following CDC recommendations.

PROTECTION

NGM team members wear face coverings at all times.

New Generation Montessori will be taking extra steps to ensure all families, children, and staff members are safe during the post-breakout season.
